- (C) If a boat leaves its lane but does not affect the positioning of another crew in the race, the referee may allow the race to continue. However, the referee will indicate a violation at the end of the race with a red flag and shall make a verbal report to the Head Judge. The Head Judge shall determine whether the crew at fault and to what extent should be penalized.
- (D) Wash riding will not be tolerated and the crews may be disqualified, if, in the opinion of the referee, an unfair advantage has been gained by using this tactic. This decision will be indicated to the Head Judge by a red flag at the finish.
